

DOUBLE DUTY

Non-Acid, Bowl and Bathroom Cleaner

Double Duty is a ready-to-use disinfectant, cleaner and deodorizer. Cleans and disinfects with a single spray and wipe application. Recommended for cleaning any surface where a spray application makes the job easier.

- **Non-Acid Bowl and Bathroom Cleaner** - Use for daily maintenance, cleaning and deodorizing of toilet bowls, urinals, bathtubs, sinks, shower stalls and other hard, nonporous surfaces. When used to clean bathrooms and other odor prone areas it will leave a fresh, clean, sanitary environment.
- **Twin-Chain Quaternary Formulation** - Use Double Duty with confidence, it's a proven one-step cleaner-disinfectant in the presence of organic soil. Bactericidal activity when used as directed, against *Staphylococcus aureus* ATCC #6538, *Salmonella choleraesuis* ATCC #10708, *Escherichia coli* ATCC #11229 and *Pseudomonas aeruginosa* ATCC #15442. Fungicidal activity against *Trichophyton mentagrophytes* ATCC #9533.
- **Virucidal** - Active against HIV-1 (associated with AIDS). Meets all requirements for hospital use.
- **Tuberculocidal** - This product exhibits disinfectant efficacy against *Mycobacterium tuberculosis* (BCG) in 10 minutes at 20 degrees centigrade when used as directed on previously cleaned hard nonporous inanimate surfaces.
- **Surface Safe** - Formulated without acid, caustic or abrasives. Use it for daily cleaning of all types of water washable surfaces including kitchen counters, sinks, appliances and stove tops. Will not etch or pit porcelain. Excellent choice for bathroom sanitation, it will not harm plumbing or septic tanks. Accidental spills will not harm clothing or carpeting.
- **Excellent Cleaning Efficiency** - Sprays on easily, penetrates soil and soap scum, kills germs and polishes surfaces.
- **Versatile** - Recommended for walls, sinks, tables, chairs, phones, doorknobs, light switches, cabinets, bedsprings, and other areas that are prone to contamination by microorganisms.
- **Convenient Packaging** - Available in cases of 12 quarts, 4 gallons, 5 gallon pails.

Technical Data

Appearance	Clear, blue liquid
Odor	Pleasing fragrance
pH Concentrate	11.7
Solubility	Completely soluble in water
Specific Gravity	1.00
Flammability	None
Volatility	Non-fuming
Viscosity	<10
Freeze Thaw Stability	Protect from freezing
Shelf Life	Guaranteed one year
