

# PK-200™

## All-Purpose Cleaner and Degreaser

PK-200 is a super concentrated, multipurpose, synthetic cleaner formulated for a broad range of applications. Water based and biodegradable it is a synergistic combination of special detergents, solvents and boosters. This unique formulation provides effective cleaning results at dilutions from 2 to 50% with water. Use PK-200 as the single cleaner for all your office and plant cleaning.

- **Versatile** - PK-200 can be used for removing heavy or greasy soil from virtually any water washable surface. Use it on walls, floors, painted surfaces, vinyl, plastic, Formica, porcelain, chrome, enamel, fiberglass, aluminum, ceramic, metal, stainless, and as a spotter for tough fabric stains. PK-200 cleans white wall tires, engine blocks, printing presses, small parts, boats, and machinery prior to repainting.
- **Effective** - Works instantly in hot or cold water without the need for scrubbing or rinsing. Cuts through thick soil and grease such as hydraulic oil leaks, oil spills and carbon exhaust. Also takes off bug stains and tree sap deposits. Use PK-200 to clean grease, oil, ink, crayon, pencil, lipstick, black heel marks, smoke film, food soil and stains.
- **Safety** - PK-200 is non-acid, nonflammable, non-corrosive, and nontoxic when used as directed. Accepted by the U.S.D.A. for use in federally inspected meat and poultry processing facilities.
- **Concentrated** - One gallon of PK-200 can make up to 50 gallons of ready-to-use cleaning power.
- **Easy-To-Use** - All applications can be handled by simply diluting the concentrate with the recommended amounts of water.
- **Convenient Packaging** - Available in cases of 12 quarts, 4 gallons, 5 gallon pails, 30 and 55 gallon drums.

### Technical Data

Appearance .....	Clear, water thin, purple liquid
Fragrance .....	Sassafras
pH Concentrate .....	12.5 +/- 0.25
pH (1% dilution) .....	10.5 +/- 0.25
Solubility .....	Completely soluble in water
Specific Gravity .....	1.05
Flammability .....	None
Biodegradability .....	Complete
Viscosity .....	<10 Centistokes
Freeze Thaw Stability .....	Protect from freezing
Shelf Life .....	Guaranteed one year
